This is the Alaska Department of Fish and Game in King Salmon with an update for Egegik and Ugashik District commercial fishermen. The time of this announcement is **12:00 p.m.** and the date is **Sunday, July 7, 2013.**

In Egegik: Through July 6, cumulative harvest is still 4.2 million. Escapement on Saturday was 17,000 and cumulative escapement is 808,000. The Egegik District commercial fishery will continue to stand down on July 8.

In Ugashik: Escapement on Saturday was 25,000; cumulative escapement is 215,000. In river indices stayed flat and do not show enough of an increase in volume to justify commercial opportunity. The Ugashik district will stand down again on July 8.
